2. BASIC PROVISIONS

2.1. Issues not regulated in the current Articles and the interpretation of these Articles are governed by Hungarian law, with particular regard to the provisions of Act V of 2013 of the Hungarian Civil Code ("Civil Code") on certain aspects of electronic commerce services and information society services from the 2001 Act CVIII (E-commerce law) and the detailed regulations on consumer-business contracts of Government Decree 45/2014. (II. 26.). The mandatory provisions of the relevant legislation shall apply to the Parties, without any special clause.

2.2. These Articles are effective law since November 4, 2022 and remain in force until revocation. The Service Provider has the right to unilaterally amend the Articles (circumstances that may lead to change: change in shipping cost, change in legislation, business interest, changes in company). The modifications need to be issued 11 (eleven) days before the effective date by the Service Provider on their website - during which time the User is entitled to rescind or terminate the contract. By using this website, the User agrees that all regulations governing the use of this website are automatically applicable to them.

2.3. The Service Provider reserves all rights in connection with the content and dissemination of the website and webpages. It is absolutely forbidden to download, store (electronically), process, or sell any content published in the website or any aspect of the content without the written consent of the Service Provider.

3. REGISTRATION, PURCHASE

3.1. The User is obliged to provide his/her real data at the time of purchase/registration. In the event of false or personally identifiable information provided during purchase/registration, the resulting electronic contract will be considered void. The Service Provider disclaims any liability if the User makes use of its services on behalf of another person with the data of another person.

3.2. The Service Provider shall not be liable for delivery delays or other problems or errors due to incorrect and/or inaccurate data provided by the User.

3.3. The Service Provider shall not be liable for any damages resulting from the User's forgetting his/her password or the access of unauthorized persons for any reason not attributable to the Service Provider (if registered on the site).

4. AVAILABLE SERVICES

4.1. Displayed services can only be ordered online. The prices displayed for the services are in USD and include the statutory VAT. However, they do not include home delivery charges. No separate packaging costs will be charged.

4.2. In the web shop, the Service Provider details the name, description of the services.

4.3. If there is a service on sale, the Service Provider should inform the User about the sale and its exact duration.

4.4. If the wrong price is displayed on the website – despite the due diligence of the Service Provider – and the price is obviously incorrect, the Service Provider is not required to confirm the service at the wrong price, especially if there is a significant difference. For example, if the price is set at EUR 0 or EUR 0.01 because of a system error, then the Service Provider shall not be obliged to deliver the service at the incorrect price, but may offer the delivery at the correct price, in the knowledge of which the Customer may refuse to make the purchase. In accordance with the case law of the Hungarian judiciary, a significant difference is generally considered to be a deviation of at least 50% in a positive or negative direction from the market value of the given service. However, consumers are informed that the concept of striking value imbalance (Section 6:98 of the Civil Code) is not precisely defined by law.

4.5. In the case of a defective price as described in Section 4.4, there will be a noticeable mismatch between the true and the indicated price of the service that the average consumer will immediately notice. Pursuant to Act V of the Civil Code of 2013 (Civil Code), the contract shall be created by the mutual and unanimous expression of the will of the parties. If the parties are unable to agree on the terms of the contract, i.e. there is no mutually agreed statement on the will of the parties, it is not possible to speak of a valid contract that would give rise to rights and obligations. On this basis, an order that has been confirmed at the wrong/erroneous price is considered to be null and void.

<http://ec.europa.eu/odr>

11.10. The Service Provider shall be obliged to cooperate in conciliation proceedings.

In doing so, it is required to send its response letter to the conciliation body and to ensure the presence of the person entitled to reach a settlement at the hearing.
